Come hunt, relax, or just enjoy the peace and quite this 39 acres offers. The owner has made three RV hook ups with water(30GPM) and waste taken care of with a flushing toilet and an outdoor shower. It would be a perfect place for a family gathering or a weekend of hunting and telling stories around the fire.The pictures of the animals were from a game camera.The roads have been developed and in some places connects to old logging roads all the way down to Kelly Rd.This would be a fantastic ride on a dirt motorcycle. Come take a look you might want to stay.
